Cross Reference Guide

PILOT-OPERATED REGULATORS - Offer significant improvements to older designs (pilot blowdown valve, tubing factory-installed within valve footprint, test ports, etc.)

	Competitor Model	WMcD Model	Picture	Size	WMcD Part Number	Match?		Notes
						Model	Parts	
Main Valves	Sarco 25	HD Series		1/2" - 6"	See Cooney Coil & Energy to select size, end connections, options, etc.	Near	No	HD is shorter Face-to-Face than Sarco 25 - spacer flanges available
Pilots	Sarco 25P	PP Pressure		N/A	See Cooney Coil & Energy to select spring range	Near	Near	Direct Retrofit for Sarco 25 Main Valve (must note at time of order)
	Sarco 25T	PT Temperature				Near	No	
Main Valves	Spence E	HD Series		1/2" - 6"	See Cooney Coil & Energy to select size, end connections, options, etc.	Near	No	Same NPT/150# Face-to-Face! (except 1-1/4" NPT)
Pilots	Spence D	PP Pressure		N/A	See Cooney Coil & Energy to select spring range	Near	No	Pilot Adapter Retrofit Kit Available to install WMcD Pilots on Spence E Valves. See also Direct Mount Pilots below.
	Spence T14	PTRP Temperature				Near	No	
	Spence D & T14	Direct Mount Pilots for Spence E Valve			N/A	Pilots mount directly to Spence E Valves using existing tubing configuration. Confirm pilot ranges (x).		

CONDENSATE RECOVERY PUMPS - Patented SNAP-ASSURE mechanism offers unrivaled service life and drop-in replacement to competitors' units!

						Model	Parts	
Pressure Motive Pumps (PMP)	Sarco PTC Series	PMPC Series (Ductile Iron Body)		3" x 2"	PMPC-3x2-N-SS	Yes	Mechanism is Drop-in Replacement	
		PMPC (stand-alone)						
		PMPC Simplex Package				Standard receiver - 21 gallon		
		PMPC Duplex Package				Standard receiver - 48 gallon		
		PMPC Triplex Package				Standard receiver - 75 gallon		
		PMPC Quadraplex Package				Standard receiver - 116 gallon		
		PMPC Mechanism		N/A	W-KIT-910-03	Mechanism is Drop-in Replacement to Sarco PTC		
	Sarco PTF Series	PMPF Series (Steel Body)		3" x 2"	PMPF-3x2-N-SS	Yes	Mechanism is Drop-in Replacement	
		PMPF (stand-alone)						
		PMPF Simplex Package				Standard receiver - 21 gallon		
		PMPF Duplex Package				Standard receiver - 48 gallon		
		PMPF Triplex Package				Standard receiver - 75 gallon		
PMPF Quadraplex Package					Standard receiver - 116 gallon			
	PMPF Mechanism		N/A	W-KIT-900-03	Mechanism is Drop-in Replacement to Sarco PTF			
Pump-Trap Combination	Sarco APT Series	PMPT (stand-alone)		1" x 1"	PMPT-1x1-N-SS	Near	No	To ensure proper selection, application details should be considered, such as: capacity requirements, overall fill head available, pressures, etc. Consult factory for additional assistance, if needed. *Stainless Steel units also available*
		PMPT Simplex w/ 3"x36" Res'r		1-1/2" x 1-1/2"	PMPT-1.5x1.5-N-SS			
				1" x 1"	S-PMPT-1x1-SS-3x36			
				1-1/2" x 1-1/2"	S-PMPT-1x1-SS-3x36
